

## ARTICLE 2

---

### CHAPTER 2: USE PROVISIONS AND DIMENSIONAL REQUIREMENTS

**SEC 2.201** **USE GROUPS IN THE TABLE OF USES BY ZONING DISTRICT:** The uses of land in the following Section 2.205 Table of Uses by Zoning District have been organized, for ease of use and convenience, into use groups, based upon certain characteristics that the grouped uses may share. These use groups are described as follows:

**Agricultural & Related Uses:** These are primarily uses of or related to agriculture, as defined in this Code.

**Residential Uses:** These are uses primarily involving housing of various types and densities and associated uses typically found or provided in relation thereto.

**Accessory Uses & Structures:** These structures and uses are permitted subordinate and secondary in support of, or in relation to, a principal permitted or conditional use or structure.

**Temporary Uses:** These are uses that are generally of a temporary nature, including but not limited to garage sales, events sponsored by public or private organizations, and which may or may not involve the construction or occupation of new or existing buildings.

**Community Facilities' & Essential Services Uses:** Community Facilities are publicly or privately owned or operated uses, for profit and not-for-profit, that serve as focal or gathering points for members of the community. Essential Services are generally publicly owned or operated uses, or uses of a not-for-profit nature, that primarily involve benefits or services generally provided to a significant portion of the population.

**Commercial Business & Service Uses:** These are generally privately owned or operated uses, or uses of a for-profit nature, that include personal service establishments, financial, executive, administrative, medical and professional offices, retail sales, food service, lodging, entertainment, repair services, workshops and studios, and similar associated uses.

**Industrial Manufacturing, Research & Supply/Services Uses:** These are uses of a manufacturing, research, warehousing, or wholesaling character, or that involve compounding, processing, packaging, assembly, storage, or treatment of products or materials, other than solid waste, but including mineral extraction and vehicle parts salvaging uses.

**Other Specific Uses:** These are uses involving the solid waste disposal, solid waste transition processing, mineral extraction and processing, and junk salvage yards.

**SEC 2.202** **PERMITTING DESIGNATIONS OF LAND USES IN TABLE:** The following symbols are used in the permitting table of uses to designate whether or not a certain use listed is allowed in the various zoning districts of this Code, along with indication of whether subject to site plan approval or meeting PUD requirements:

<b><u>Symbol</u></b>	<b><u>Meaning</u></b>
P	Permitted Use by Zoning Inspector
C	Conditional Use subject to BZA approval or denial
S	A permitted use, subject to BOCC review of a Site Plan
(Shaded)	Prohibited Use
E	Exempt from zoning
Land Use:	The Land Use column of Table 2.205 Table of Uses by Zoning District includes principle permitted uses; accessory uses used in conjunction with a principle permitted use; and temporary uses.

**SEC 2.203** **PERMITTING DETERMINATION FOR A USE NOT LISTED:**

- (A) Permitting of a use not listed in the Table of Uses By District shall depend on the Board of Zoning Appeals (BZA) making a determination as to whether the use not listed shall be allowed as a permitted or conditional use or otherwise prohibited, based on being similar or not to one or more use that is listed. The BZA shall make this determination simultaneously with a decision on any application for which it has jurisdiction upon conducting a quasi-judicial hearing.
- (B) The BZA or the Zoning Inspector may determine that the use is an accessory use, associated with the principle permitted use. Accessory uses and structures are permitted in any zoning district, unless qualified within the code, but only in connection with, incidental to, and on the same lot with a principle permitted use or structure which is permitted within such district. Table 2.205 which includes principle permitted uses authorizes other uses normally accessory, auxiliary or incidental to the principle permitted use. The enumerated permitted accessory uses set forth in Table 2.205 provide examples of valid accessory uses for ease of administration but are not intended to exclude uses properly accompanying the principle permitted use.

**SEC 2.204** **MIXED USE COMMERCIAL AND MIXED USE NEIGHBORHOOD:** Refer to Section 2.407.3 for use allowances within the Mixed Use Commercial and Mixed Use Neighborhood Districts.

**SEC 2.205** **TABLE OF USES BY ZONING DISTRICT:** (See following table.)

**SEC 2.205 TABLE OF USES BY ZONING DISTRICT**

**Use Specific Zones shall follow the standards of the zoning district.**
