#### INSTRUCTIONS FOR PLACING NOTE ON DEED FOR MINOR SUBDIVISION

Note to be included on a deed or legal description creating a new buildable lot:

Grantor hereby reserves as a permanent easement for the benefit of Warren County\* to be used for public use forever the following described property for public road and utility purposes: \_ feet measured from the present centerline of (name of road) by a parallel line across the front of the lot in accordance with the official Warren County Thoroughfare Plan, as amended. Said easement shall bind and inure to the benefit of each party hereto and their respective successors and assigns, and shall run with the land in perpetuity.

<sup>-</sup> The # of feet for the easement is determined by right-of-way specified by the Warren County Thoroughfare Plan for the class of road along which the lot frontage will be created.

<sup>\*-</sup> State of Ohio is used instead of Warren County if the lot frontage is along a U.S. or State Route.
